## Teacher's Comment

### General Academic Performance/Achievements:

---

Fatima has good writing skills. She's good at phonics, mental maths, rhymes, and story telling. Now, she has started showing interest in following the instructions.

---

### Behaviour/ Character Building:

---

She is obedient, disciplined, friendly and talkative with her friends. A good team player but sometimes she shows unwillingness to follow the instructions.

---

### Recommendations for Future Learning:

---

We suggest parents should give the writing books to improve her writing. Please tell kids some moral and ethical stories regularly and assign some elder to do this activity where the mentor asks kid/s to know their views. Also, ask kid/s to complete few incomplete stories (verbal or on paper) to develop and understand confidence in them.

---

---

### Head's / Principal's Comments:

---

Note: Please talk to your kid regarding his / her interest and share your feedback with teachers timely through diary , letters , email.
